

# trust circle

A story about wise trust

Name \_\_\_\_\_

The Three Little Pigs have created a trust circle. You can create one too!

This activity helps you think about who you trust for what. Write names inside each of the rings.

- Don't feel bad about not trusting someone. People need to earn your trust.
- Why do you think the Three Little Pigs have names outside their trust circle? Do you have anyone outside your trust circle too?
