

'GET GOING' DEBATES

Debate these for
10 points!
each!

No one should have to do something they don't like.

People who procrastinate are being lazy

People who avoid tasks are not trustworthy

Procrastination only causes for the person who procrastinates.

Successful people clearly don't procrastinate.

There is no real cure for procrastination. Once you have it you always have it.

Rapunzel's was just messy. We can't make people someone they are not!

DEBATE RULES:

- Take turns. Don't interrupt. Let people have a different perspective.
- There might not be a clear right answer! That's okay. The goal is hearing perspectives.
- Try taking a perspective you don't agree with sometimes! It can be fun!
- Don't be rude or call people names!
- Have fun! Hey, that's the rule for everything, isn't it?
