

# Shhh! It's a secret!

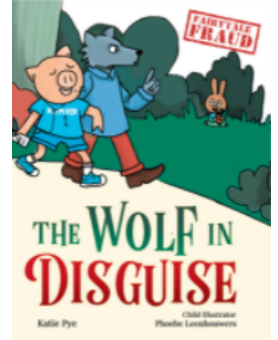

Name: \_\_\_\_\_

The Three Little Pigs are ready to learn all about wise trust! Help them know the difference between safe and unsafe secrets by writing an example of each below.

What can you do if someone shares an unsafe secret with you?

A story about wise trust

## Safe secret:

Safe secrets usually have a happy ending and other people find out at some point.

---

An illustration of two black silhouettes of people hugging. One person is on the left, and the other is on the right, with their arms around each other.

## Unsafe secret:

Unsafe secrets can cause someone harm or might be dangerous and there might even be a threat.
