

# LISTENING & LEARNING

CHALLENGE: How many questions can you answer!

Do you think everyone can learn anything? Why/why not?

What are the benefits of being a lifelong learner?

Is it wrong to be wrong?

Is there something you tried to learn that felt too difficult?

What things help you learn better?

How do you like getting help from others?

How can we help other people when they are learning?

What is something you would like to learn more about?
